

Creating a Division tournament (4 teams).

The image shows a software application window titled "Register Team". It contains several input fields and buttons for registering a team and its players.

**Register Team**

Menu

Team Name:

Tournament:

Player Details

Name:

Age:

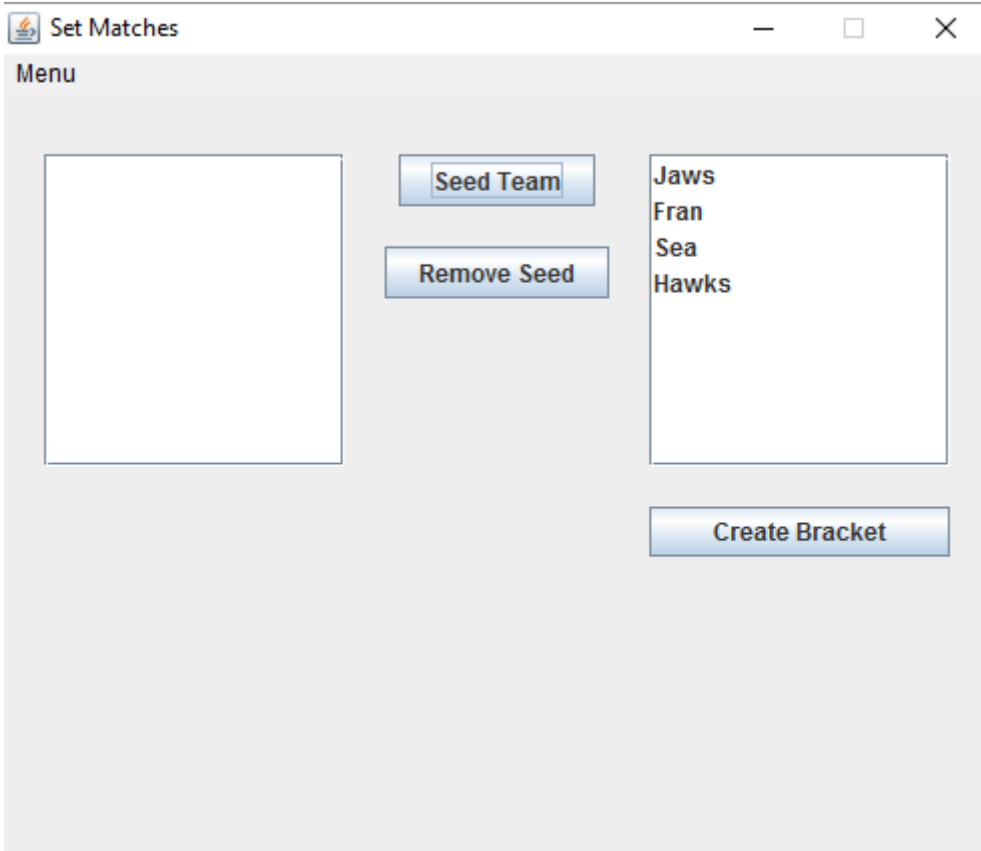

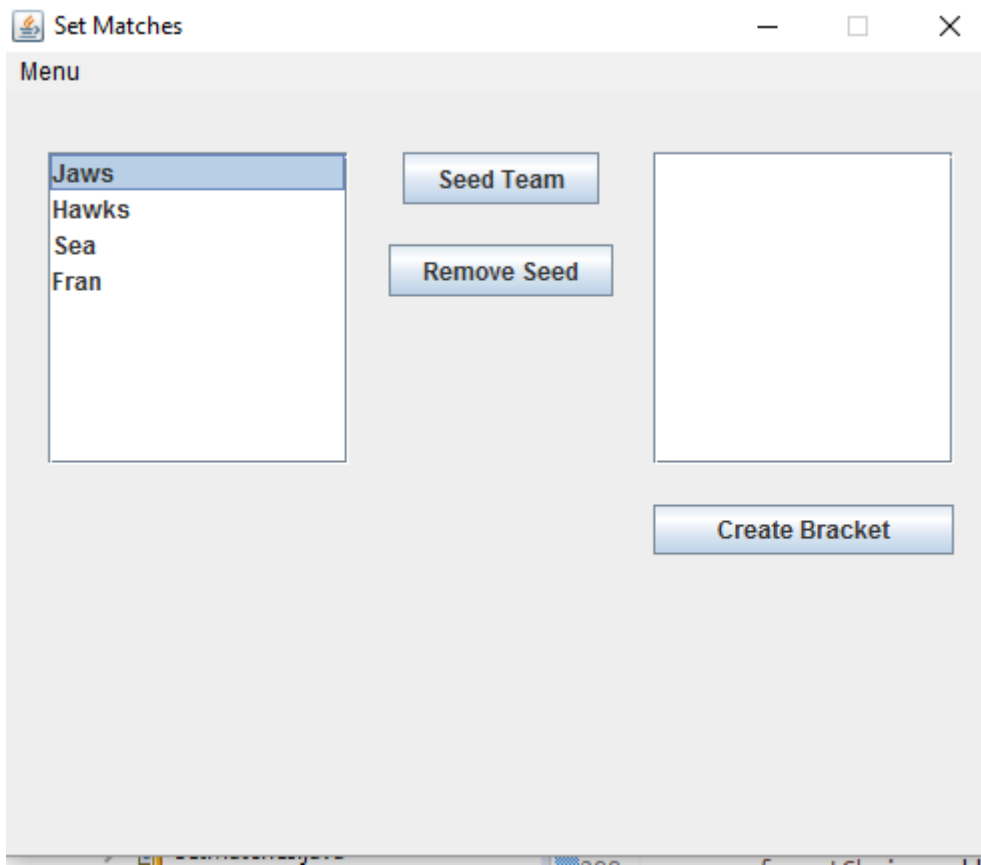

On the right side of the "Player Details" section, there is a list of player slots, each with a letter and a number:

- a : 10
- b : 10
- c : 10
- d : 10
- e : 10
- f : 10

Below the main window, a smaller "Registration Closed" dialog box is displayed. It features an information icon and the following text:

**Registration Closed**

The tournament's team capacity has now been reached
